## FOUR DROWN

**Johnboat Capsizes and Youths Sink to Watery Grave**  
EAST LIVERPOOL, O., April 12th.—Four boys were drowned early today when a johnboat in which they were crossing the Ohio river from the West Virginia side upset twelve miles South of here. A fifth was saved.  
Those drowned were Henry Brant, 20, Earl Brant, 18, Hugh Sprout, 18, Port Homer, O.; Clifford Howard, 17, Fairview, Pa. John Crossley, 19, of Port Homer, managed to cling to the boat as it went over and held on until rescue came.  
The five youths last night crossed the Ohio to the West Virginia side to attend prayer meeting at Wesley Chapel, near New Cumberland. Afterward they escorted girl friends home, vialing with the latter until after midnight. They started to row back to the Ohio side about 1 a. m., and had not proceeded far when the accident occurred.

## SICK DAUGHTER NOW WELL

**Mrs. C. Cole Tells How Her Daughter Was Restored to Health by Lydia E. Pinkham's Compound.**

Fitchville, Ohio.—"I take great pleasure in writing to thank you for what your medicine has done for my daughter. Before taking your medicine she was all run down, suffered from pains in her side, could not walk but a short distance at a time, and had severe pains in head and limbs. She came very near having nervous prostration. She had begun to cough a good deal and seemed melancholy by spells. She tried two doctors but got little help. I cannot find words to express my gratefulness for what Lydia E. Pinkham's Vegetable Compound has done for my daughter. She feels and looks like another girl since taking it, and I shall always feel that I owe you a great debt. You can use this letter for the benefit of others if you wish, as I shall always recommend your medicines for female troubles."—Mrs. C. COLE, Fitchville, Ohio.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

**Young Girls, Heed This Advice.**  
Girls who are troubled with painful or irregular periods, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

**Cincinnati Takes Second Game**  
CINCINNATI, O., April 12th.—McIntyre weakened after nine gruelling innings and by allowing three hits in the tenth, permitting Cincinnati to win the second game of the series with Chicago by a score of 3 to 2. Benton was hit harder earlier in the contest but kept the safeties well scattered.

## LIVED ON RAW EGGS

**Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.**  
Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.  
What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind.  
He says: "For more than 12 years I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.  
I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs. I was a physical wreck. I could not sleep, and was as near crazy as a man could well be.  
I must say that after taking two 25-cent packages of Theodor's Black-Draught, it did me more good than all I ever spent for other medicines.  
I have been working daily on the farm ever since, and I am as hard as iron." This purely vegetable remedy has been in successful use for more than 70 years. Try it. But be sure that it's "Theodor's."
